ABOUT US

All American Federal Construction is an 8(a) Certified, EDWOSB that offers a range of services, including Construction Management, Construction, and Facilities Maintenance, to various Federal agencies.

With over 25 years of combined experience in the Federal construction sector, our team has successfully completed more than 200 Federal projects in the past 9 years across the United States for numerous Government agencies.

Our ability to secure contracts across various federal agencies highlights our versatility and reliability in delivering construction and maintenance services to the Federal government.

CAPABILITY STATEMENT

CORE COMPETENCIES

- HVAC Installations & Electrical work
- Construction & Renovation Services for Government Facilities (including demolition, abatement, water & sewer)
- Specialty Trades & Site Prep
- Specialized Equipment Replacement

DIFFERENTIATORS

- Prime Contractor on every project completed
- Ability to perform any project, regardless of difficulty of scope and/or location
- National network of affiliated partners/subcontractors & similarly situated entities

POINT OF CONTACT

Ben Eaddy, Operations Manager | operations@aaafedcon.com | (281) 899-8749 x 107 | www.allamericanfederal.com

All American Federal Past Performance as PRIME Contractor

Q3 Projects - Fiscal Year 2024

Project: Lead & Asbestos Abatement
Contract Number: 140P1524C0017
NAICS: 562910
Agency: National Park Service
Point of Contact: Donald Tremble
Phone: (720) 450-1198
Email: donald_tremble@nps.gov
Project Date: Aug 28, 2024
Project Location: 25 West Tuzigoot Road, Clarkdale, AZ
Contract Amount: \$ 148,230.00
Scope of Work: Lead abatement and asbestos abatement mitigation service to conduct the comprehensive removal and mitigation of lead and asbestos containing material from historic windows and window openings of historic monument building.

Project: System Controls & HVAC Controls Upgrade
Contract Number: 12405B24P0276
NAICS: 811210
Agency: U.S. Department of Agriculture (USDA)
Point of Contact: Jessica Pacheco
Phone: (662) 686-5414
Email: jessica.pacheco@ars.usda.gov
Project Date: Aug 15, 2024
Project Location: 934 College Station Road, Athens, GA
Contract Amount: \$ 267,410.00
Scope of Work: Provide Siemens integrated monitoring of (24) incubator chambers, the control/monitoring of (4) packaged, (2) split HVAC units and (2) exhaust fans, and the electrical power automatic transfer switch via the Siemens Design CC BAS and LEM server.

Project: Acid Hood Duct Replacement
Contract Number: 140G0124P0227
NAICS: 238390
Agency: U. S. Geological Survey
Point of Contact: Kimberly Schneider
Phone: (000) 000-0000
Email: krschneider@usgs.gov
Project Date: Jul 16, 2024
Project Location: 4200 New Haven Road, Columbia, MO
Contract Amount: \$ 82,570.00
Scope of Work: Disconnect the fume hood exhaust stack at the top of main building wet-lab and remove and dispose of the existing duct work. Install new corrosion resistant exhaust duct from the acid fume hood output exhaust.

Project: Liebert HVAC Condenser Replacement
Contract Number: FA282324P0031
NAICS: 238220
Agency: Air Force Materiel Command
Point of Contact: Mar'Sha Andrus
Phone: 850-882-4080
Email: marsha.andrus@us.af.mil
Project Date: Apr 12, 2024
Project Location: EGLIN AFB, FL
Contract Amount: \$ 55,760.00
Scope of Work: Remove existing Liebert HVAC condenser and replace with new including installing new power to condenser.

Project: Replace Overhead Hoist Crane
Contract Number: FA940124C0005
NAICS: 238290
Agency: Air Combat Command
Point of Contact: Alexander Ramsower
Phone: (505) 846-6673
Email: alexander.ramsower@us.af.mil
Project Date: Mar 7, 2024
Project Location: Kirtland AFB, NM
Contract Amount: \$ 56,213.85
Scope of Work: Removal and disposal of old hoist. Purchase, install, and evaluate a new 1.5 Ton hoist.

Project: Chemical Lab Abatement & Hazardous Waste Disposal
Contract Number: 140G0124P0036
NAICS: 562910
Agency: U. S. Geological Survey
Point of Contact: Dayna Parkin
Phone: 703-648-7374
Email: dparkin@usgs.gov
Project Date: Jan 22, 2024
Project Location: 4446 Pet Lane, Ste. 108, Lutz, FL
Contract Amount: \$ 64,510.00
Scope of Work: Abatement, cleaning, and demolition of chemical laboratories, warehouse space, and a break room.

Project: Light Pole & Security Gate Installation
Contract Number: 127EAX23C0069
NAICS: 238990
Agency: Forest Service
Point of Contact: Michael Carico
Phone: 602-225-5330
Email: michael.carico@usda.gov
Project Date: Sep 30, 2023
Project Location: 5075 US-89, Flagstaff, AZ
Contract Amount: \$ 91,920.00
Scope of Work: Design and construct light pole installation and security gate including electrical grid install.

Project Date: Sep 30, 2023

Project Location: 5075 US-89, Flagstaff, AZ

Contract Amount: \$ 91,920.00

Scope of Work: Design and construct light pole installation and security gate including electrical grid install.

Project: Security Gate Operator & Gate Replacement

Contract Number: W50S8W23P0013

NAICS: 331222

Agency: Department of the Army

Point of Contact: CHRISTOPHER DAVALOS

Phone: 307-772-6887

Email: christopher.davalos.1@us.af.mil

Project Date: Sep 29, 2023

Project Location: 217 Dell Range Blvd, Cheyenne, WY

Contract Amount: \$ 56,028.00

Scope of Work: Removing existing gate and operator, disconnecting all associated electrical and plumbing connections. Install new security gate and security operator, ensuring proper alignment, adjustment, and closure rate.

Project: Education Building Asbestos Abatement & Demolition

Contract Number: 12445123C0074

NAICS: 238910

Agency: Forest Service

Point of Contact: Steven Alves

Phone: (859) 334-0254

Email: steven.alves@usda.gov

Project Date: Sep 29, 2023

Project Location: 570 Job Corps Rd, Royal, AR

Contract Amount: \$ 120,110.00

Scope of Work: Asbestos abatement and removal of the building, all materials, foundations, and approaching pavement and sidewalks along with grading, soil stabilization, and seeding all disturbed areas.

Project: Demolition & Removal of Radio Station

Contract Number: 12FPC323P0128

NAICS: 238910

Agency: Agricultural Research Service (USDA)

Point of Contact: Laureen Eipp

Phone: 315-477-6522

Email: laureen.eipp@usda.gov

Project Date: Sep 27, 2023

Project Location: , Dugway, UT

Contract Amount: \$ 57,890.00

Scope of Work: Demo and removal of station building, radio antenna and masts, generator, propane disposal, concrete pad, transformer and electrical line removal, HVAC disposal, concrete structure removal, leveling and grading site restoration.

Project: Renovation of Lab Space

Contract Number: 12639523C0111

NAICS: 236220

Agency: U.S. Department of Agriculture (USDA)

Point of Contact: JAMES ROLOFF

Phone: 612.590.7603

Email: james.g.roloff@usda.gov

Project Date: Sep 20, 2023

Project Location: SUITE B, GASTONIA, NC

Contract Amount: \$ 134,880.00

Scope of Work: Work involves renovating lab area including demolition and rebuilding of plumbing, electrical, fire sprinkler and HVAC systems.

Project: Walk-In Freezer Repair
Contract Number: 12405B23P0355
NAICS: 811310
Agency: U.S. Department of Agriculture (USDA)
Point of Contact: Lynn Hults
Phone: (912) 464-9723
Email: lynn.hults@usda.gov
Project Date: Aug 31, 2023
Project Location: , Oxford, MS
Contract Amount: \$ 29,910.00
Scope of Work: Replacement of evaporator and condenser on commercial walk-in freezer.

Project: Utility Pole & Electrical Replacement
Contract Number: 12441923C0031
NAICS: 236220
Agency: Forest Service
Point of Contact: NATHAN HEIKKINEN
Phone: (00000)-0000
Email: erik.fallo@usda.gov
Project Date: Aug 30, 2023
Project Location: 7285 Valley View Road, Middleton, WI
Contract Amount: \$ 71,420.00
Scope of Work: Removing and replacing utility poles; removing and replacing electrical conductors; removing and replacing signal wiring; removing and replacing guy-stays; and removing and replacing an outdoor-rated service disconnect electrical panel.

Project: Historic Building Painting
Contract Number: 140P6023P0025
NAICS: 238320
Agency: National Park Service
Point of Contact: James Bissaillon
Phone: 402-800-8292
Email: james_bissaillon@nps.gov
Project Date: Aug 23, 2023
Project Location: 1335 180th Avenue, Larned, KS
Contract Amount: \$ 74,780.00
Scope of Work: Pressure wash, repair, paint, and glaze historic fort buildings and ground features.

Project: Pressure Relief Valve Replacement

Contract Number: 12639523P0255

NAICS: 237110

Agency: Agricultural Research Service (USDA)

Point of Contact: Jim Roloff

Phone: 612-590-7603

Email: james.g.roloff@usda.gov

Project Date: May 30, 2023

Project Location: , Ames, IA

Contract Amount: \$ 75,460.00

Scope of Work: Replace a 12-inch pressure reducing valve, two 12-inch butterfly valves, and associated components on city main water line.

Project: Walk-In Cooler Condenser & Evaporator Upgrade

Contract Number: 12805B23C0012

NAICS: 811310

Agency: Agricultural Research Service (USDA)

Point of Contact: Shane Pope

Phone: 785-712-3231

Email: shane.pope@usda.gov

Project Date: May 3, 2023

Project Location: BLDG D, SUITE 100, FORT COLLINS, CO

Contract Amount: \$ 49,640.00

Scope of Work: Relocate condenser, replace evaporator, and install an advanced KE2 thermostat controller.

Project: Electrical Conduit, Wire & Lighting Installation

Contract Number: FA441923P0020

NAICS: 238210

Agency: Department of the Air Force

Point of Contact: Janella Rivas

Phone: (580) 481-5503

Email: janella.rivas@us.af.mil

Project Date: Apr 7, 2023

Project Location: BLDG 285, ALTUS AFB, OK

Contract Amount: \$ 86,870.00

Scope of Work: Install approximately 1,400 feet of wiring and conduit along with switches and LED strobes on exterior large moving hangar doors.

Project: Commercial Interior Fire-Rated Door Replacements

Contract Number: 75H71022P01783

NAICS: 238990

Agency: Department of Health and Human Services

Point of Contact: Stephen Silversmith

Phone: 505-726-8801

Email: stephen.silversmith@ihs.gov

Project Date: Sep 22, 2022

Project Location: Hwy 491 North, Shiprock, NM

Contract Amount: \$ 50,320.00

Scope of Work: Removal and replacement of 4 sets of interior commercial fire-rated wood and steel doors.

Project: Trailer Demo & ADA Ramp Replacement

Contract Number: 68HE0722P0071

NAICS: 238910

Agency: Environmental Protection Agency (EPA)

Point of Contact: Shaneka Dickerson

Phone: 913-551-7780

Email: dickerson.shaneka@epa.gov

Project Date: Sep 13, 2022

Project Location: 7411 Beach Drive East, Port Orchard, WA

Contract Amount: \$ 69,130.00

Scope of Work: Demolish existing Laboratory Trailer and ADA Ramp and rebuild ADA Ramp.

Project: Remove & Replace Overhead Door & Operator

Contract Number: W912EQ22P0056

NAICS: 238290

Agency: Army Corps of Engineers

Point of Contact: TIJUANA WATSON

Phone: 901-544-3356

Email: tijuana.m.harris@usace.army.mil

Project Date: Sep 1, 2022

Project Location: St. Francis River, Marianna, AR

Contract Amount: \$ 41,790.00

Scope of Work: Remove overhead door, supply and install new overhead door with operator. Repair remaining overhead doors.

Project: Trailer Diesel Fuel Tank Repair

Contract Number: FA303022P0008

NAICS: 811310

Agency: Air Combat Command

Point of Contact: Vonda Johnston

Phone: 325-654-5315

Email: vonda.johnston.1@us.af.mil

Project Date: Apr 13, 2022

Project Location: , Wall, TX

Contract Amount: \$ 24,880.00

Scope of Work: Repair Diesel Fuel Tank

Project: Expansion Tank Repair

Contract Number: 12805B22P0050

NAICS: 238220

Agency: Agricultural Research Service (USDA)

Point of Contact: Shane Pope

Phone: 785-712-3231

Email: shane.pope@usda.gov

Project Date: Feb 11, 2022

Project Location: 1111 South Mason Street, Fort Collins, CO

Contract Amount: \$ 24,970.00

Scope of Work: Performed gasket replacement and tank repair servicing the steam expansion tank supporting current heat loads in the heat exchanger. Removed the piping head and clean all surfaces. Installed the new gasket and then installed the head.

Project: Window Replacements & Building Painting

Contract Number: 12805B22P0035

NAICS: 236220

Agency: Agricultural Research Service (USDA)

Point of Contact: Peter Nelson

Phone: 701-795-8354

Email: peter.b.nelson@usda.gov

Project Date: Jan 14, 2022

Project Location: 7207 WEST CHEYENNE ST, El Reno, OK

Contract Amount: \$ 32,000.00

Scope of Work: Replace historic windows and paint building.

Project: Steel Bulkhead Blasting, Painting & Repair
Contract Number: W912QR21P0096
NAICS: 238320
Agency: Army Corps of Engineers
Point of Contact: Aaron Sanford
Phone: 502.315.6178
Email: aaron.l.sanford@usace.army.mil
Project Date: Sep 24, 2021
Project Location: , Batavia, OH
Contract Amount: \$ 72,060.00
Scope of Work: Remove, blast, inspect, paint, and repair 4 steel bulkhead gates.

Project: Building Demolition & Removal
Contract Number: W912L121P0109
NAICS: 238910
Agency: Department of the Army
Point of Contact: Denise Bailey
Phone: 281-929-2305
Email: denise.m.bailey.civ@mail.mil
Project Date: Sep 7, 2021
Project Location: 6351 US HIGHWAY 271 NORTH, POWDERLY, TX
Contract Amount: \$ 58,080.00
Scope of Work: Demolition and removal of an existing 13,000 SF modular building located on Camp Maxey Training Center.

Project: Remove & Replace Multiple HVAC Refrigeration Units
Contract Number: 12905B21P0251
NAICS: 238220
Agency: Agricultural Research Service (USDA)
Point of Contact: Michael Hassett
Phone: 510-559-6326
Email: Kenda.Tucker@usda.gov
Project Date: Aug 25, 2021
Project Location: 9611 S RIVERBEND AVENUE, PARLIER, CA
Contract Amount: \$ 63,110.00
Scope of Work: Remove and properly dispose of three condensing units and install three new HVAC systems.

Project: Replace Visitor Center HVAC System

Contract Number: 140P6321P0058

NAICS: 238220

Agency: National Park Service

Point of Contact: Julie Gavin

Phone: 605 574 3193

Email: julie_gavin@nps.gov

Project Date: Aug 24, 2021

Project Location: 564 County Rd 37, Stanton, ND

Contract Amount: \$ 91,240.00

Scope of Work: Replace HVAC system serving the park's Visitor Center and Administrative areas - installing new outdoor packaged air-to-air heat pumps complete climate control systems, indoor air units, and a Liebert Challenger unit, which will provide control of both humidity and temperature in the artifact storage area.

Project: Ice Machine Installation

Contract Number: FA301621P0150

NAICS: 333415

Agency: Air Education and Training Command

Point of Contact: Heather Sorensen

Phone: 210-671-1717

Email: heather.sorensen@us.af.mil

Project Date: Jul 26, 2021

Project Location: , LACKLAND AFB, TX

Contract Amount: \$ 82,371.83

Scope of Work: Delivery and installing ice machines including layout and fabrication of mounting electrical conduits and water lines as well as electrical upgrades, plumbing upgrades, and hook-ups to ensure a turn-key installation and delivery of these ice makers. Tapping into existing electrical boxes and tapping into existing water supply.

Project: Demo & Installation of Steel Building

Contract Number: 140G0121P0292

NAICS: 236220

Agency: U. S. Geological Survey

Point of Contact: Daniel Galvin

Phone: 703-648-7397

Email: dgalvin@usgs.gov

Project Date: Jul 7, 2021

Project Location: One Migratory Way PO Box 796, Turners Falls, MA

Contract Amount: \$ 67,580.00

Scope of Work: Demolish and replace steel building and concrete pad that house an ultraviolet (UV) light sterilization system, including concrete slab, building erection, electrical and plumbing of new building.

Past Experience with STILTEN National Construction as PRIME Contractor

STILTEN was previously co-owned and operated by the principals at All American Federal. All of these projects were managed by the principals at All American Federal during their tenure with STILTEN.

Project: Water Supply Line Replacement

Contract Number: 140P6320P0073

NAICS: 237110

Agency: National Park Service

Point of Contact: Julie Gavin

Phone: 605 574 3193

Email: julie_gavin@nps.gov

Project Date: Sep 16, 2020

Project Location: NPS, MWR, George Washington Carver, Diamond, MO

Contract Amount: \$111,188.00

Scope of Work: Provide all labor, equipment, and material necessary to replace the park water supply lines for the George Washington National Monument

Project: Vinyl Asbestos Tiles (VAT) Removal and Tile Install

Contract Number: 140G0220P0284

NAICS: 562910

Agency: National Park Service

Point of Contact: Jerry Danso

Phone: 888-275-8747

Email: jdanso@usgs.gov

Project Date: Sep 11, 2020

Project Location: USGS Geologic Hazards Team, Cayey, Puerto Rico

Contract Amount: \$73,500.00

Scope of Work: removal and cleanup of the VAT floor tile for five buildings at the USGS San Juan Magnetic Observatory and the replacement of VAT floor tile with new non-asbestos tile

Project: HVAC Repair/Replacement

Contract Number: 1305M220PNFFN0575

NAICS: 238220

Agency: NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION

Point of Contact: Tamico Little

Phone: 757-364-6907

Email: tamico.little@noaa.gov

Project Date: Sep 2, 2020

Project Location: Galveston Laboratory, Galveston, TX

Contract Amount: \$117,720.00

Scope of Work: This request will provide NMFS Galveston with numerous essential HVAC repairs, servicing and replacement of various equipment in Building 302, Building 306, the Maintenance Archive Building, and the Cooling Towers

Project: (SSDG) Engine Crankshaft Renewal

Contract Number: 70Z08520QP45H3500

NAICS: 336611

Agency: United States Coast Guard (USCG)

Point of Contact: Barbara Falero

Phone: 510-637-5973

Email: BARBARA.FALERO@USCG.MIL

Project Date: Aug 14, 2020

Project Location: Auxiliary Machinery Room (Compartment: 5-36-01-E), North Charleston, SC

Contract Amount: \$144,340.00

Scope of Work: renew the No.1 Ship Service Diesel Generator (SSDG) Engine crankshaft

Project: Convault Fueling Station Replacement

Contract Number: 140P4220C0012

NAICS: 562910

Agency: National Park Service

Point of Contact: Daniel Braccia

Phone: 215 597-5374

Email: Denny_Braccia@nps.gov

Project Date: Jul 31, 2020

Project Location: Hampton National Historic Site, Towson, MD

Contract Amount: \$93,420.00

Scope of Work: Furnish and install one (1) new above ground double wall, multi compartment Fuel Bulk Storage Tank(s) (compatible for use with Unleaded Ethanol fuel), Diesel fuel and all associated hardware as described in the general area and specifics of this specification. Tank shall meet or exceed Convault E500 Multi-Compartment Fueling Tank specifications

Project: Water Tank Inspection and Cleaning

Contract Number: 140P8620P0070

NAICS: 561790

Agency: National Park Service

Point of Contact: Michael Gabriel

Phone: 415 561-4790

Email: Michael_Gabriel@nps.gov

Project Date: Jul 6, 2020

Project Location: Marin Headlands, Sausalito, CA

Contract Amount: \$53,583.00

Scope of Work: Inspection and cleaning of interior area and surfaces of the water tanks listed below. This shall be done while maintaining an active water system on selected tanks, unless National Park Service (NPS) can maintain a bypass to allow each tank to be drained during the work

Project: Duct Repair

Contract Number: W912NW20P0047

NAICS: 238220

Agency: Army Material Command

Point of Contact: Jennifer Salyers

Phone: 361-961-6877

Email: jennifer.l.salyers2.civ@mail.mil

Project Date: Jun 4, 2020

Project Location: Corpus Christi Army Depot (CCAD), Corpus Christi, TX

Contract Amount: \$74,087.00

Scope of Work: The Contractor shall repair ducting for the 1 of 2 Plastic Media Blast (PMB) large booths at building 8 at the CCAD.

Project: Mulch Replacement

Contract Number: H9225720P0054

NAICS: 561730

Agency: Marine Forces Special Operations Command (MARFORSOC)

Point of Contact: Geronimo Lopez

Phone: 910-440-0700

Email: geronimo.lopez.mil@socom.mil

Project Date: May 18, 2020

Project Location: BLDG RR 612 EVERETT CREEK RD, Camp Lejeune, NC

Contract Amount: \$52,476.00

Scope of Work: remove and replace the mulch in various sizes of parking lot islands and building entrances where the mulch is currently located

Project: New Septic System Installation
Contract Number: 1204T120P0006
NAICS: 562991
Agency: USDA Forest Service
Point of Contact: Lois Ford
Phone: 541.957.3344
Email: lois.ford@usda.gov
Project Date: Apr 29, 2020
Project Location: 14425 N Santiam Hwy SE, Detroit, OR
Contract Amount: \$30,010.00
Scope of Work: Install new septic system for Bunkhouse M on the Detroit RD compound

Project: Mold Remediation
Contract Number: FA460020P0011
NAICS: 562910
Agency: Air Combat Command
Point of Contact: Jan Ryan Sanchez
Phone: 402-232-6359
Email: jan_ryan.sanchez@us.af.mil
Project Date: Jan 27, 2020
Project Location: AFB, , NE
Contract Amount: \$45,110.00
Scope of Work: The requested service is to provide encapsulation of the interior of the identified ductwork with DuctArmor sealant or an equivalent product. Air cleaning of the ductwork to prepare the surface and remove loose particulates must be performed. Cleaning and sanitizing of the blowers, coils, and vent/grills surfaces must be performed.

Project: Line Shaft Replacement
Contract Number: 70Z08520PP4565200
NAICS:
Agency: United States Coast Guard (USCG)
Point of Contact: William Sword
Phone: 510-637-5901
Email: william.a.swordjr@uscg.mil
Project Date: Jan 23, 2020
Project Location: CGC Healy, Seattle, WA
Contract Amount: \$96,052.00
Scope of Work: This work item describes the requirements for the Contractor to inspect, provide parts for, and repair oil leaks on the port and starboard line shaft bearing assembly oil seals, Model 94051, manufactured by American Metal Bearing Company, and measure shaft alignment before and after work is complete.

Project: Deck Tile Installation
Contract Number: N6278920P0009
NAICS: 238340
Agency: Naval Sea Systems Command
Point of Contact: Ryan Lawton
Phone: 860-433-7475
Email: ryan.lawton@navy.mil
Project Date: Jan 21, 2020
Project Location: USS Montpelier, Groton, CT
Contract Amount: \$76,220.00
Scope of Work: Remove existing Deck Tile and install new Deck Tile in nine (9) locations plus incidental replacement of 10 square feet of broken tile in various areas

Project: Jet Pump Refurbishment
Contract Number: 14OR2020P0005
NAICS: 811310

Agency: Bureau of Reclamation
Point of Contact: Steven Teves
Phone: (916) 978-4302
Email: steves@usbr.gov

Project Date: Jan 10, 2020
Project Location: , , CA

Contract Amount: \$177,770.00

Scope of Work: Receive and transport the Strainer, dis-assemble, remove existing lead paint, clean, inspect, replace, designed wear parts and hardware, perform hydrostatic pressure test, transport, and return to NCAO

Project: Main Diesel Engines (MDEs) Alignment
Contract Number: 70Z08520PP4558400
NAICS:

Agency: United States Coast Guard (USCG)
Point of Contact: MEGAN CARTER
Phone: 510-637-5968
Email: megan.l.carter@uscg.mil

Project Date: Jan 3, 2020
Project Location: CGC Sequioa, Santa Rita, Guam
Contract Amount: \$47,442.00
Scope of Work: Alignment of 2 CATERPILLAR 3608 Main Diesel Engines (MDEs) .

Project: Concrete Cores Testing
Contract Number: W912QR20P0003
Agency: U.S. Army Corps of Engineers
Point of Contact: Joshua Gitchel
Phone: 502-315-6196
Email: Joshua.Gitchel@usace.army.mil
Project Date: Dec 23, 2019

Project Location: Apron Delta Row, Niagara Falls, NY
Contract Amount: \$35,090.00

Scope of Work: The Contractor is to provide forensic petrographic examinations and engineering assessments of concrete cores for the Apron Delta Row Replacement Project located at Niagara Falls Air Reserve Station, NY.

Project: Lead Based Paint (LBP) Abatement
Contract Number: 23-20-850P45352
Agency: United States Coast Guard (USCG)
Point of Contact: William Sword
Phone: 510-637-5901
Email: william.a.swordjr@uscg.mil

Project Date: Nov 25, 2019
Project Location: 60 E 1st St, Dubuque, IA
Contract Amount: \$29,795.00

Scope of Work: Contractor shall abate and properly dispose of hazardous materials located in the engine room, on the overhead framework, above the #2 main diesel engine reduction gear.

Project: MDE Top End Overhaul
Contract Number: 70Z08520CP4502200
Agency: United States Coast Guard USGC
Point of Contact: Patrick Brown
Phone: 757-628-4602

Email: patrick.d.brown@uscg.mil

Project Date: Oct 4, 2019

Project Location: CGC WILLIAM TATE, Phillidelphia, PA

Contract Amount: \$116,804.00

Scope of Work: Top End Overhaul on NR1 and NR2 CATERPILLAR Main Diesel engines.

Project: Access Control System Installation

Contract Number: W91RUS19R0277

Agency: Army Contracting Command

Point of Contact: Craig Metzger

Phone: (520) 533-1799

Email: craig.a.metzger4.civ@mail.mil

Project Date: Sep 27, 2019

Project Location: 2133 Cushing Street, Fort Huachuca, AZ

Contract Amount: \$89,949.00

Scope of Work: Upgrade existing access control system with Lenel Access Control System to read CAC cards and existing proximity cards to provide access into RCC-C NOF space, including installation and set up new SQL server.

Project: Hydraulic Line Replacement

Contract Number: W912QR19P0141

NAICS: 332912

Agency: Army Corps of Engineers

Point of Contact: Jessica McCall

Phone: 502.315.6137

Email: jessica.l.mccall@usace.army.mil

Project Date: Sep 25, 2019

Project Location: Green River Lake, Campbellsville, KY

Contract Amount: \$194,272.00

Scope of Work: Replace all control valves, check valves, flow control valves, tube lines, and all rubber hydraulic lines within the existing hydraulic system. Rubber lines shall be replaced with braided stainless lines. Tube lines will be replaced with new stainless steel tube lines.

Project: Asbestos Removal and Fence Repair

Contract Number: W15QN19C1032

Agency: Army Contracting Command

Point of Contact: Timothy McCleary

Phone: 609-562-4299

Email: timothy.j.mccleary.civ@mail.mil

Project Date: Sep 23, 2019

Project Location: Fort Devens, Devens, MA

Contract Amount: \$51,530.00

Scope of Work: Remove vegetation within 20' from the outside of the perimeter fence. Repair of chain link fence sections. Remove and dispose of asbestos containing insulation in building 3419 a prefabricated double wide classroom trailer on South Post DRFTA. Demo and remove building 3419 and all of its component parts and contents.

Project: Fish Pump Rehabilitation

Contract Number: 14OR2019P0090

Agency: Bureau of Reclamation

Point of Contact: Dean Seggay

Phone: 916-978-5057

Email: dseggay@usbr.gov

Project Date: Sep 20, 2019

Project Location: "A" Canal Headworks Fish Facility, Klamath Falls, OR

Contract Amount: \$97,820.00

Scope of Work: The contractor shall disassemble, inspect, report, repair, and test the 50 HP Wemco-Hidrostal Screw Centrifugal Pump 20" x 20" Model L20V-SS-L4S37-LHD, Serial Number 02DW03965-02. The pump has approximately 30,000

hours of run-time. The pump shall be returned to “remanufactured” condition. The unit is currently being housed at the A Canal Headworks Fish Facility building located in the city of Klamath Falls, Oregon.

Project: Hangar Door Curtain Assembly and Renewal

Contract Number: 70Z08519PP45G8500

Agency: United States Coast Guard (USCG)

Point of Contact: Anthony Andaluz

Phone: 510-637-5980

Email: anthony.j.andaluz@uscg.mil

Project Date: Jul 15, 2019

Project Location: CGC JAMES, NORTH CHARLESTON, SC

Contract Amount: \$189,320.00

Scope of Work: Install government furnished hangar door and accessories. Certified Tech

Project: Center Section Overhaul

Contract Number: 24-19-859P45713

Agency: United States Coast Guard (USCG)

Point of Contact: Timothy Shuhart

Phone: 757-628-4602

Email: Timothy.M.Shuhart@uscg.mil

Project Date: Jun 26, 2019

Project Location: USCGC Katherine Walker, Bayonne, NJ

Contract Amount: \$88,522.00

Scope of Work: Center Section Overhaul NR3 SSDG onboard CGC Katherine Walker.

Project: Welding Hood Vent Replacement

Contract Number: N6660419P1944

Agency: Naval Sea Systems Command

Point of Contact: Leslie Brazil

Phone: 401-832-2907

Email: leslie.brazil@navy.mil

Project Date: Jun 26, 2019

Project Location: Naval Undersea Warfare Center Division, Newport, RI

Contract Amount: \$49,997.10

Scope of Work: Replacement of a welding hood vent at the Naval Undersea Warfare Center Division Newport, Rhode Island

Project: Bead Blast Booth Fire Suppression

Contract Number: W912J219P6010

Agency: National Guard Bureau

Point of Contact: Scott Homner

Phone: 608-245-4757

Email: usaf.wi.115-fw.mbx.fw-contracting@mail.mil

Project Date: Jun 20, 2019

Project Location: 3110 Mitchell St, Madison, WI

Contract Amount: \$82,205.00

Scope of Work: Remove and replace slide gate in downstream waste collection barrel and install rotary valve that meets NFPA 69 requirements. Remove and replace all rubber of silicon transition boots to eliminate potential static energy hazards.

Project: Main Water Supply Replacement

Contract Number: 47PJ0019C0028

NAICS: 236220

Agency: Public Buildings Service (PBS)

Point of Contact: Pamela Burley

Phone: 701-566-6129

Email: pam.burley@gsa.gov

Project Date: May 30, 2019

Project Location: Federal Building/Post Office 657 2nd Ave North, Fargo, ND

Contract Amount: \$255,159.00

Scope of Work: Replace designated interior water main supply lines at the Federal Building remove and replace approximately 2500 SF of hard deck plaster ceiling, light fixtures, HVAC registers, lighting occupancy sensors, smoke detectors, and other devices mounted on ceiling; remove piping insulation with requisite asbestos abatement to facility piping access.

Project: Awning Replacement

Contract Number: N4008519Q4610

Agency: Naval Facilities Engineering Command

Point of Contact: Jeffery Lin

Phone: (401) 841-3179

Email: jeffery.lin@navy.mil

Project Date: May 16, 2019

Project Location: , Newport, RI

Contract Amount: \$30,232.00

Scope of Work: Provide new awning covers at building 292 and 1297

Project: Installation of Waterlines

Contract Number: W912PM19C0018

Agency: U.S. Army Corps of Engineers

Point of Contact: Alicia Evans

Phone: (910) 251-4785

Email: alicia.evans@usace.army.mil

Project Date: Apr 5, 2019

Project Location: Philpott Lake, Bassett, VA

Contract Amount: \$70,596.00

Scope of Work: Installation of approximately 4000 Ln Ft of 1.5 in waterline to the Philpott Powerhouse in Bassett, Virginia

Project: Pipe Insulation and PVC Jacket Installation

Contract Number: 140G0119Q0043

Agency: U. S. Geological Survey

Point of Contact: Daniel Galvin

Phone: 703-648-7397

Email: dgalvin@usgs.gov

Project Date: Mar 26, 2019

Project Location: USGS Leetown Science Center, Kearneysville, WV

Contract Amount: \$54,670.00

Scope of Work: The installation of pipe insulation and PVC jackets on overhead water lines and water tanks located in the USGS Leetown Science Center (LSC) Fish Health Building

Project: Electrical Busswork Repair

Contract Number: FA441919PA017

Agency: Air Education and Training Command

Point of Contact: Kelsey Causey

Phone: 580-481-5837

Email: jessica.watson.7@us.af.mil

Project Date: Mar 15, 2019

Project Location: Altus AFB OK, Altus, OK

Contract Amount: \$56,810.00

Scope of Work: Extend existing busswork to the top of the Automatic Transfer Switch cabinet and mount cable tap box

Project: Hydraulic Power Unit (HPU) Renewal

Contract Number: W912QR19P0032

Agency: U.S. Army Corps of Engineers

Point of Contact: Janice Goodman

Phone: 502-3156213

Email: janice.e.goodman@usace.army.mil

Project Date: Mar 13, 2019

Project Location: 3391 S. Dam Road, Rockville, IN

Contract Amount: \$215,710.00

Scope of Work: Replace existing one (1) each Hydraulic Power Unit (HPU), Two New Hydraulic Pumps with Motors including coupling and guards installed on top of new reservoir.

Project: Underground Utilities Restoration

Contract Number: 140P8619P0013

Agency: National Park Services

Point of Contact: Fred Picavet

Phone: (402) 661-1582

Email: fred_picavet@nps.gov

Project Date: Feb 18, 2019

Project Location: Golden Gate National Recreation Area, San Francisco, CA

Contract Amount: \$35,000.00

Scope of Work: Perform underground bore shot to replace 2 conduits

Project: UPS System Replacement

Contract Number: 140G0119P0059

Agency: U. S. Geological Survey

Point of Contact: Daniel Galvin

Phone: 703-648-7397

Email: dgalvin@usgs.gov

Project Date: Feb 13, 2019

Project Location: Survey's Leetown Science Center, Kearneysville, WV

Contract Amount: \$47,649.00

Scope of Work: Replace and Relocate of Biosafety Level 3 (BSL-3) uninterruptible power supply (UPS) system

Project: Equipment and oil removal

Contract Number: 140R1719P0005

Agency: Bureau of Reclamation

Point of Contact: Georgena Holt

Phone: (509) 633-9227

Email: gholt@usbr.gov

Project Date: Jan 31, 2019

Project Location: US Bureau of Reclamation, Grand Coulee, WA

Contract Amount: \$37,120.00

Scope of Work: Equipment and Oil removal

Project: Tower Electrical Repair

Contract Number: W912P719P0006

Agency: U.S. Army Corps of Engineers

Point of Contact: James Neal

Phone: 415-503-6891

Email: james.neal@usace.army.mil

Project Date: Jan 4, 2019

Project Location: 1160 Lake Mendocino Dr., Ukiah, CA

Contract Amount: \$70,748.46

Scope of Work: Supply and replacement for an existing non-functional cabinet air conditioning unit, supply and replacement for an existing 25 KVA 480/120-240 volt transformer, supply and installation of an uninterrupted power supply (UPS).

Project: Access Gate Removal and Replacement

Contract Number: 70Z03719PPQQ04200

Agency: United States Coast Guard (USCG)

Point of Contact: Noel Profeta

Phone: 619-278-7046

Email: Noel.P.Profeta@uscg.mil

Project Date: Dec 19, 2018

Project Location: 31550 Palos Verdes Drive W., Ranchos Palos Verdes, CA

Contract Amount: \$33,730.00

Scope of Work: Removal of existing gate and fences -then install new metal gate and adjacent fencing between existing concrete columns, including vehicle and pedestrian gates

Project: Heat Exchanger Replacement

Contract Number: FA812519P0017

NAICS: 332996

Agency: Air Force Materiel Command

Point of Contact: Geoffrey Craigwell

Phone: (405) 736-4069

Email: geoffrey.craigwell@us.af.mil

Project Date: Nov 29, 2018

Project Location: Building 3902, Tinker AFB, OK

Contract Amount: \$151,110.00

Scope of Work: Bldg. 3902 Heat Exchangers Replacement

Project: Marine Ventilation System Cleaning

Contract Number: 70Z08519PP451370

Agency: United States Coast Guard (USCG)

Point of Contact: Pablo Rosa-Perez

Phone: 510-637-5901

Email: pablo.j.rosa-perez@uscg.mil

Project Date: Oct 16, 2018

Project Location: CGC Bertholf, Alameda, CA

Contract Amount: \$32,422.00

Scope of Work: Commercial cleaning of marine Laundry and Galley ventilation systems.

Project: Grease Trap and Sewer Line Replacement

Contract Number: W9115118C0027

NAICS: 238220

Agency: Army Contracting Command, MICC

Point of Contact: Kyle Esannason-Olano

Phone: 254-287-8290

Email: kyle.j.esannasonolano.civ@mail.mil

Project Date: Sep 29, 2018

Project Location: , Fort Hood, TX

Contract Amount: \$282,110.00

Scope of Work: Replacing 2 failing 3,000 gallon grease traps at two dining facilities

Project: Window Film Installation

Contract Number: W912L618P6040

Agency: National Guard Bureau

Point of Contact: Daniel Tatro
Phone: (405) 228-5560
Email: daniel.r.tatro.civ@mail.mil
Project Date: Sep 29, 2018
Project Location: National Guard Bureau, Tulsa, OK
Contract Amount: \$69,812.00
Scope of Work: Provide and install window film on all buildings.

Project: Hazardous Tree(s) Removal
Contract Number: W912PP18P0121
Agency: U.S. Army Corps of Engineers
Point of Contact: Karen Irving
Phone: (505) 342-3356
Email: karen.k.irving@usace.army.mil
Project Date: Sep 25, 2018
Project Location: Conchas Dam, Conchas Lake, NM
Contract Amount: \$82,400.00
Scope of Work: Tree pruning, removal and mulching of tree debris. Hazardous deadwood removal.

Project: Historical Windows Reproduction and Installation
Contract Number: 140P4518C0018
Agency: National Park Service
Point of Contact: Lori Achkar
Phone: 718-815-6153

Contract Number: W911SA18P2002
Agency: Army Contracting Command, MICC
Point of Contact: Michelle Harvey
Phone: 608-388-4597

Email: michelle.m.harvey3.civ@mail.mil

Project Date: Apr 5, 2018

Project Location: 4235 Yorktown Ave., Los Alamitos, CA

Contract Amount: \$34,980.00

Scope of Work: Replacement of welding exhaust hood.

Project: Horizontal Machine Center Repair

Contract Number: FA8125-18-P-0059

Agency: Air Force Materiel Command

Point of Contact: James Davison

Phone: (405) 734-1141

Email: James.Davison.7@us.af.mil

Project Date: Apr 3, 2018

Project Location: 3001 post R35, Tinker AFB, OK

Contract Amount: \$153,129.72

Scope of Work: Test, Teardown, Evaluation (TT&E) and Repair of a Starrag Heckert Horizontal Machining Center.

Project: LP Tank Repair

Contract Number: 140P8518P0010

Agency: National Park Service

Point of Contact: John Gannon

Phone: (415) 623-2256

Email: john_gannon@nps.gov

Project Date: Feb 22, 2018

Project Location: Yosemite National Park Tank Farm, El Portal, CA

Contract Amount: \$124,500.00

Scope of Work: Draining and cleaning of two 6,500+ gallon propane tanks and inspection, repair and replacement of above ground components of liquid propane gas (LPG) tank farm.

Project: Hydraulic Tubing Renewal

Contract Number: 70Z085-18-P-P4542600

Agency: United States Coast Guard (USCG)

Point of Contact: Nicholas Pryor

Phone: (510) 637-5934

Email: nicholas.a.pryor@uscg.mil

Project Date: Jan 11, 2018

Project Location: USCGC Alder, Duluth, MN

Contract Amount: \$31,593.00

Scope of Work: Renewal of crane's 1" stainless steel supply and return line assemblies.

Project: Irrigation System Restoration

Contract Number: 140P1318P0016

NAICS: 237110

Agency: National Park Service

Point of Contact: Ana Zapata

Phone: 505-988-6085

Email: Ana_Zapata@nps.gov

Project Date: Dec 11, 2017

Project Location: Big Bend National Park, Big Bend National Park, TX

Contract Amount: \$146,210.00

Scope of Work: Restoration of the Cottonwood Campground Irrigation system. The scope of work includes design, layout, installation, and acceptance testing of a complete irrigation system at Big Bend National Park Campground.

Project: Windows Upgrade

Contract Number: W9123817P0071

NAICS: 236220

Agency: U.S. Army Corps of Engineers

Point of Contact: Robert Garcia

Phone: (916) 557-7229

Email: Robert.S.garcia2@usace.army.mil

Project Date: Sep 27, 2017

Project Location: US Army Corps of Engineers Hensley Lake, Raymond, CA

Contract Amount: \$91,470.00

Scope of Work: Provided all materials, labor, transportation, and equipment necessary to replace 90+ windows, including all job planning, programming, permitting, scheduling, administration, demolition, preparation, installation, testing, clean-up, inspection, and management.

Project: Cantilever Gate Drive Mechanism Replacement

Contract Number: HSCG31-17-P-LAS668

Agency: United States Coast Guard (USCG)

Point of Contact: Tyrone Whitehead

Phone: (510) 437-3195

Email: tyrone.e.whitehead@uscg.mil

Project Date: Sep 27, 2017

Project Location: USCG Air Station, McClellan, CA

Contract Amount: \$55,000.00

Scope of Work: Installation of new vehicle detection loop, gate drive mechanism, monitored reflective photo beams, reversing edges, electrical service upgrades and cantilever rollers with bearings and covers.

Project: Concrete Resurfacing

Contract Number: HSCG47-17-P-PGAL01

Agency: United States Coast Guard (USCG)

Point of Contact: Cornelius Claiborne

Phone: (757) 852-3418

Email: cornelius.claiborne@uscg.mil

Project Date: Sep 24, 2017

Project Location: 3000 Fort Point Rd, Galveston, TX

Contract Amount: \$46,290.00

Scope of Work: Concrete roughening, resurface, sealing and of 37,000 + square feet concrete slab.

Project: Coating Repair and Rust Mitigation

Contract Number: F17PX02397

Agency: Fish and Wildlife Service

Point of Contact: Ryan Boisvert

Phone: 413-253-8531

Email: ryan_boisvert@fws.gov

Project Date: Sep 20, 2017

Project Location: Kilauea Point National Wildlife Refuge, Kilauea, HI

Contract Amount: \$74,462.00

Scope of Work: Miscellaneous coating repair, rust mitigation, surface preparation, and re-coating of lighthouse.

Project: HVAC Installation

Contract Number: F17PX02450

Agency: Fish and Wildlife Service

Point of Contact: Joshua Miller

Phone: (503)872-2813

Email: joshua_miller@fws.gov

Project Date: Sep 17, 2017
Project Location: 38782 Hart Mountain Road, Plush, OR
Contract Amount: \$30,000.00
Scope of Work: Design build and installation of a central air conditioning system.

Project: Feral Hog Removal
Contract Number: P17PX01663
Agency: National Park Service
Point of Contact: Pollard Mobley
Phone: 409-951-6814
Email: pollard_mobley@nps.gov
Project Date: Sep 14, 2017
Project Location: Big Thicket National Preserve, Kountze, TX
Contract Amount: \$59,718.85
Scope of Work: Pest management services of the removal of a minimum of 2,000 feral hogs as described in the attached Statement of Work. The areas of consideration are located in the Big Sandy Creek Unit, Beech Creek Unit, Turkey Creek Unit, and Lance Rosier Unit of Big Thicket National Preserve.

Project: Building Abatement and Demolition
Contract Number: AG-4D90-C-17-0023
Agency: Natural Resources Conservation Service
Point of Contact: Dale Clark
Phone: 602-280-8804
Email: curt.clark@wdc.usda.gov
Project Date: Sep 14, 2017
Project Location: USDA-NRCS-PULLMAN PLANT MATERIAL CENTER, Pullman, WA
Contract Amount: \$56,000.00
Scope of Work: Demolition of residence including removal of driveway retaining wall, backfilling and landscaping.

Project: Lagoon/Landfill Rehabilitation
Contract Number: F17PX01994
Agency: Fish and Wildlife Service
Point of Contact: Delores Aldinger
Phone: 612-713-5208
Email: Delores_Aldinger@fws.gov
Project Date: Sep 7, 2017
Project Location: Tamarac National Wildlife Refuge, Rochert, MN
Contract Amount: \$53,278.38
Scope of Work: Installation of an MPCA approved barrier cap over a sewage lagoon's affected area, preparation of a Corrective Action Completion Report (CACR) of activities performed by the FWS to rehabilitate and address the landfill and sewage lagoon, and revegetation of the entire sewage lagoon with Jack Pine seedlings.

Project: Ship Service Diesel Generators Overhaul
Contract Number: HSCG85-17-C-P45R95
Agency: United States Coast Guard (USCG)
Point of Contact: Marie Tanaka
Phone: (510) 637-5813
Email: marie.j.tanaka@uscg.mil
Project Date: Sep 7, 2017
Project Location: 4688 Homer Spit Road, Homer, AK
Contract Amount: \$269,870.15
Scope of Work: Dockside repair consisting of disassembly, rigout and removal, overhaul, reinstallation and testing of the cutter's No. 1 and 2 CATERPILLAR Ship Service Diesel Generator's main stator and rotor assemblies.

Project: Automatic Door Installation

Contract Number: P17PX02155

Agency: National Park Service

Point of Contact: Joelle Mascarenas

Phone: 808-541-2693

Email: Joelle_Mascarenas@nps.gov

Project Date: Sep 4, 2017

Project Location: Mile Marker 11 Crater Road, Kula, HI

Contract Amount: \$47,271.12

Scope of Work: Removal and replacement of entryway doors on the historic Summit Visitor Center at Haleakala National Park, including the wall-mounted buttons used to operate the door manually.

Project: Tree Pruning

Contract Number: L17PX01385

Agency: Bureau of Land Management (BLM)

Point of Contact: Lisa Hariper

Phone: (602) 417-9434

Email: lh Harper@blm.gov

Project Date: Sep 1, 2017

Project Location: San Pedro Riparian National Conservation Area, Sierra Vista, AZ

Contract Amount: \$45,771.00

Scope of Work: Structural pruning and support of large cottonwood trees for the BLM area residence structure.

Project: Fuel Lines Resize and Replacement

Contract Number: HSCG87-17-N-KET887

Agency: United States Coast Guard (USCG)

Point of Contact: Alex Wingert

Phone: (206) 220-7426

Email: alex.h.wingert@uscg.mil

Project Date: Aug 16, 2017

Project Location: 1300 Stedman Street, Ketchikan, AK

Contract Amount: \$149,982.00

Scope of Work: Construction services to replace existing underground fuel oil supply lines with larger oil supply and return lines; installation of double containment piping conduit, and the installation of a 25-gallon day tank with pump system.

Project: HVAC Removal & Installation

Contract Number: W912EE17P0037

Agency: U.S. Army Corps of Engineers

Point of Contact: Velma Grant

Phone: (601) 631-5826

Email: velma.grant@usace.army.mil

Project Date: Jul 21, 2017

Project Location: 4155 CLAY ST, VICKSBURG, MS

Contract Amount: \$53,200.00

Scope of Work: Removal and installation of 12.5 ton rooftop unit and 3.5 ton split system.

Project: Sewage Line Cleaning and Repair

Contract Number: HSCG29-17-N-PMW124

Agency: United States Coast Guard (USCG)

Point of Contact: Haley Pewett

Phone: (504) 253-4522

Email: haley.a.pewett@uscg.mil

Project Date: Jun 30, 2017

Project Location: USCG Station, Freeport, TX

Contract Amount: \$23,412.00

Scope of Work: Cleaning and repair of underground grease, water and sewer lines and piping.

Project: Salt Water Piping Repairs

Contract Number: HSCG85-17-P-P45L16

Agency: United States Coast Guard (USCG)

Point of Contact: Chad Ginter

Phone: 510-637-5993

Email: Chad.E.Ginter@uscg.mil

Project Date: Jun 23, 2017

Project Location: USCGC James, North Charleston, SC

Contract Amount: \$23,817.00

Scope of Work: Repair of a leak on the pipe at the inlet side of the vessel's No. 2 salt water pump.

Project: Site Utility Lines Replacement

Contract Number: AG-82A7-C-17-0028

Agency: Forest Service

Point of Contact: Jennifer McCord

Phone: (303) 275-5393

Email: jennifermccord@fs.fed.us

Project Date: Jun 13, 2017

Project Location: USFS SITKA Building, Yachatts, OR

Contract Amount: \$29,808.00

Scope of Work: Replacement of hot water recalculation lines in building crawl space, and camera video inspection of the sewer and storm lines inside and outside of additional building. Included snaking the lines to clear the blockages, and removal and replacement of the ceramic tile finishes on the floor, walls and ceiling.

Project: Hydraulic Hoses and Fittings Renewal, Assembly and Testing

Contract Number: HSCG85-17-P-4TW145

Agency: United States Coast Guard (USCG)

Point of Contact: Mayra Centurion

Phone: 510-637-5987

Email: mayra.c.centurion@uscg.mil

Project Date: Jun 7, 2017

Project Location: 400 Sand Island Pkwy, Honolulu, HI

Contract Amount: \$75,702.00

Scope of Work: Onboard engineering services to renew various hydraulic hoses and fittings, including removal of qty (102) identified hoses, fabrication, hydrostatic testing, installation and labeling of new hose assemblies.

Project: Hydraulic Tubing Renewal

Contract Number: HSCG85-17-Q-P45D11

Agency: United States Coast Guard (USCG)

Point of Contact: Nicholas Pryor

Phone: (510) 637-5934

Email: nicholas.a.pryor@uscg.mil

Project Date: Jun 6, 2017

Project Location: USCGC ALDER (WLB-216), Duluth, MN

Contract Amount: \$23,586.00

Scope of Work: Fabrication and installation of stainless steel hydraulic tube assemblies and fittings.

Project: Boiler Repair and Certification

Contract Number: HSCG85-17-P45E17

Agency: United States Coast Guard (USCG)

Point of Contact: Mitchell Robison

Phone: (510) 637-5968

Email: mitchell.a.robison@uscg.mil

Project Date: May 31, 2017

Project Location: USCGC Alex Haley, Kodiak, AK

Contract Amount: \$82,136.00

Scope of Work: Repair, maintenance and certification of vessel boilers.

Project: Boiler Replacement

Contract Number: P17PX01466

Agency: National Park Service

Point of Contact: Ana Zapata

Phone: 210-534-8875

Email: Ana_Zapata@nps.gov

Project Date: May 24, 2017

Project Location: Guadalupe Mountains National Park, Salt Flat, TX

Contract Amount: \$51,972.27

Scope of Work: Provision and installation of new boiler, and all associated plumbing and HVAC components, in the visitor center.

Project: Marine Window Installation

Contract Number: HSCG40-17-P-P30A22

Agency: United States Coast Guard (USCG)

Point of Contact: Carolyn Ward

Phone: 410-762-6601

Email: carolyn.ward@uscg.mil

Project Date: Apr 6, 2017

Project Location: 5302 26th Ave. NW, Seattle, WA

Contract Amount: \$37,935.00

Scope of Work: Vessel repair, and installation of new starboard side full drop window and starboard aft full drop window.

Project: Equipment and HAZMAT Removal

Contract Number: W9127S-17-P-0088

Agency: U.S. Army Corps of Engineers

Point of Contact: Brandee Wright

Phone: (501) 340-1466

Email: brandee.m.wright@usace.army.mil

Project Date: Apr 5, 2017

Project Location: Greers Ferry Power Plant and Dam, Heber Springs, AR

Contract Amount: \$61,880.00

Scope of Work: Cleanup, transport and recycling/disposal of equipment, containers, and PCB laden oil (HAZMAT).

Project: Sewage and Grey Water Systems Cleaning

Contract Number: HSCG85-17-P-P45C97

Agency: United States Coast Guard (USCG)

Point of Contact: Mayra Centurion

Phone: 510-637-5987

Email: Mayra.C.Centurion@uscg.mil

Project Date: Mar 31, 2017

Project Location: USCGC Hatchet, Galveston, TX

Contract Amount: \$22,576.00

Scope of Work: Grey and sewage water piping flushing and cleaning services.

Project: Interior Deck Covering System and Joiner Deck Renewal

Contract Number: HSCG80-17-C-P45867

Agency: United States Coast Guard (USCG)

Point of Contact: Garth Gobbell

Phone: 757 628-4631

Email: Garth.C.Gobbell@uscg.mil

Project Date: Mar 21, 2017

Project Location: USCGC Ridley, Atlantic Beach, FL

Contract Amount: \$49,844.00

Scope of Work: Renewal of flooring systems in vessel galley and other compartments, including renewal of joiner decks, underlayment and epoxy deck covering systems.

Project: Anti-fatigue Flooring Installation

Contract Number: HSCG85-17-Q-DMN300

Agency: United States Coast Guard (USCG)

Point of Contact: Mitchell Robison

Phone: (510) 637-5968

Email: mitchell.s.robison@uscg.mil

Project Date: Mar 17, 2017

Project Location: USCGC Monroe, Alameda, CA

Contract Amount: \$34,985.00

Scope of Work: Provision and installation of anti-fatigue matting on board the vessel bridge.

Project: Dockside Repairs

Contract Number: HSCG80-17-C-P45098

Agency: United States Coast Guard (USCG)

Point of Contact: Shean Mohammed

Phone: (757) 628-4957

Email: shean.e.mohammed@uscg.mil

Project Date: Feb 22, 2017

Project Location: USCGC Swordfish, Seattle, WA

Contract Amount: \$82,461.00

Scope of Work: Dockside Repair consisting of: Renewal of the port main MTU diesel engine (MDE), Crop and renewal of the sewage tank access combing and lid, Renewal of designated joiner deck panels and epoxy deck covering flooring systems, Reseal of designated epoxy deck covering system, and Renewal of overhead insulation in the pilothouse.

Project: Science Van Relocation and Piping Modification

Contract Number: HSCG85-17-P-P45964

Agency: United States Coast Guard (USCG)

Point of Contact: Chad Ginter

Phone: 510-637-5993

Email: CHAD.E.GINTER@USCG.MIL

Project Date: Feb 15, 2017

Project Location: USCGC HEALY, Seattle, WA

Contract Amount: \$42,328.00

Scope of Work: Installation of new piping runs associated with the relocation of the vessel's two science vans from 01 Level Fwd to 02 Level, Frame 24, including fitting, welding, and painting and preservation.

Project: Buoy Cleat & Snubbing Winch Installation

Contract Number: HSCG85-17-P-P45554

Agency: United States Coast Guard (USCG)

Point of Contact: Chad Ginter

Phone: (510) 637-5993

Email: CHAD.E.GINTER@USCG.MIL

Project Date: Jan 11, 2017

Project Location: CGC SEQUOIA, Agana, Guam

Contract Amount: \$42,920.00

Scope of Work: Standardize type, installation, and fittings pull testing of auxiliary cleats and snubbing winches used to assist with vessel buoy handling system.

Project: Electric Hot Water Boiler Replacement

Contract Number: DE-WA0004020

Agency: Western Area Power Administration

Point of Contact: Benjamin Siltman

Phone: 970-461-7630

Email: siltman@wapa.gov

Project Date: Dec 29, 2016

Project Location: WAPA PMOC Building, Loveland, CO

Contract Amount: \$45,810.00

Scope of Work: Provision and installation a new hot water electric boiler and in-line circulating pump motor, and all associated plumbing and HVAC components, in the mechanical Room of the PMOC building lower level.

Project: Diesel Fired Hammer Overhaul

Contract Number: HSCG85-17-P-P45127

Agency: United States Coast Guard (USCG)

Point of Contact: Daniel Nieves

Phone: 510-637-5926

Email: daniel.j.nieves@uscg.mil

Project Date: Dec 20, 2016

Project Location: Fairlead Boat Works, Newport News, VA

Contract Amount: \$24,982.00

Scope of Work: Overhaul and repair of a Delmag Model D6-32 Diesel Hammer including all mechanical and hydraulic components.

Project: Culvert Cleaning and Video Inspection

Contract Number: W911WN-17-C-3001

Agency: U.S. Army Corps of Engineers

Point of Contact: Matthew Reed

Phone: (412) 395-7157

Email: matthew.w.reed@usace.army.mil

Project Date: Nov 3, 2016

Project Location: Little Conemaugh and Stonycreek Rivers of Johnstown Levee/Floodwall, Cambria County, PA

Contract Amount: \$114,974.34

Scope of Work: Cleaning, dewatering and video inspections of the existing culvert systems through portions of the three separate levee/floodwall systems.

Project: Steam Heating Coil Repair

Contract Number: HSCG85-17-P-P45179

Agency: United States Coast Guard (USCG)

Point of Contact: Chad Ginter

Phone: 510-637-5987

Email: CHAD.E.GINTER@USCG.MIL

Project Date: Oct 25, 2016

Project Location: 14 S. MASSACHUSETTS BLDG, Seattle, WA

Contract Amount: \$80,214.00

Scope of Work: Steam heating coil repair, fabrication and installation to the HVAC and vessel steam heating system.

Project: Automatic Cantilever Gate Replacement

Contract Number: DE-WA0003859

Agency: Western Area Power Administration

Point of Contact: Dana Dilynn Kostel

Phone: 605-353-2642

Email: kostel@wapa.gov

Project Date: Sep 27, 2016

Project Location: Sioux City Substation No. 2, Hinton, IA

Contract Amount: \$29,210.00

Scope of Work: Provision and installation of a gate and fencing, and operator to replace an existing cantilever gate and operator, including all electrical and ground work.

Project: Wire Guard Lighting Installation

Contract Number: HSCG81-16-P-ADM070

Agency: United States Coast Guard (USCG)

Point of Contact: Britney Tribuzio

Phone: (252) 335-6581

Email: Britney.A.Tribuzio@uscg.mil

Project Date: Sep 22, 2016

Project Location: 664 Weeksville Road HMF Hanger 1 & 2, Elizabeth City, NC

Contract Amount: \$32,560.00

Scope of Work: Provision and installation of safety wire guards on qty (268) existing high bay florescent lighting fixtures for HMF Hangars 1 & 2.

Project: Heating Ventilation Service and Repair

Contract Number: P16PX03787

Agency: National Park Service

Point of Contact: Elizabeth Chico

Phone: 530-595-6113

Email: Elizabeth_Chico@nps.gov

Project Date: Sep 20, 2016

Project Location: South Visitors Center of Lassen Volcanic National Park, Mineral, CA

Contract Amount: \$40,272.00

Scope of Work: Annual servicing, glycol replacement, installation of an automatic glycol feeder, and expansion tank and circulation pump replacement for the Heating Ventilation and Air Conditioning (HVAC) system.

Project: Firearms Training Trailer Inspection & Maintenance

Contract Number: HSCG81-16-P-PRM014

Agency: United States Coast Guard (USCG)

Point of Contact: Sterling Davis

Phone: 504-253-4507

Email: sterling.t.davis@uscg.mil

Project Date: Sep 12, 2016

Project Location: US Coast Guard Armory Maggot Road Range firearms trailer, St. Louis, MO

Contract Amount: \$24,300.00

Scope of Work: Inspection, repair and maintenance of CG station mobile firearms training trailer, including lead abatement and mechanical repair.

Project: Storage Building Demo and Construction

Contract Number: AG-24H8-P-16-0048

Agency: Forest Service

Point of Contact: Carol Northrop

Phone: 814-728-6242

Email: carolnorthrop@fs.fed.us

Project Date: Sep 2, 2016

Project Location: Allegheny National Forest Ranger Station, Bradford, PA

Contract Amount: \$30,500.00

Scope of Work: Demolition of existing storage shed and construction of new wooden frame lean-to storage shed. Installation of wooden framework, support posts, concrete footers, purlins, metal roof panels, flashing, edge trim and fascia.

Project: Electrical Power Stations Preventative Maintenance

Contract Number: HSCG31-16-P-PAA385

Agency: United States Coast Guard (USCG)

Point of Contact: Terrie Brown

Phone: 510-437-5611

Email: Terrie.M.Brown@uscg.mil

Project Date: Aug 31, 2016

Project Location: USCG Base Cutter Pier Power Station, Alameda, CA

Contract Amount: \$137,042.00

Scope of Work: Maintenance and repair of Pier Power Stations including survey of electrical delivery infrastructure, systems and components testing, and repair/replacement of damaged system components.

Project: Carpet and Vinyl Flooring Replacement

Contract Number: P16PX03139

Agency: National Park Service

Point of Contact: Myron Forsberg

Phone: 360-854-7221

Email: Ron_Forsberg@nps.gov

Project Date: Aug 31, 2016

Project Location: North Cascades National Park Service Complex (NOCA), Stehekin, WA

Contract Amount: \$29,368.00

Scope of Work: Provision, removal and installation of various flooring materials, including carpet, vinyl and sub flooring and underlayment in multiple park houses/buildings.

Project: Guard Shack Window Replacement

Contract Number: HSCG37-16-P-PQQ204

Agency: United States Coast Guard (USCG)

Point of Contact: John Waters

Phone: 310-521-6011

Email: John.T.Waters@uscg.mil

Project Date: Aug 12, 2016

Project Location: USCG Base Los Angeles Long Beach, San Pedro, CA

Contract Amount: \$17,919.00

Scope of Work: Replacement of glass in the windows and doors of the main guard shack.

Project: HVAC Replacement

Contract Number: W912P5-16-P-0060

Agency: U.S. Army Corps of Engineers

Point of Contact: Eugenia Corder

Phone: 615-736-5603

Email: Eugenia.J.Corder@usace.army.mil

Project Date: Aug 1, 2016

Project Location: Watts Bar Lock and Dam, Decatur,, TN

Contract Amount: \$37,635.00

Scope of Work: Installation, inspection, servicing and permitting of three new Heating, Ventilating, and Air Conditioning (HVAC) heat pump type units.

Project: Tree Pruning and Removal

Contract Number: P16PS01727

Agency: National Park Service

Point of Contact: Ana Zapata
Phone: 210-534-8875
Email: Ana_Zapata@nps.gov
Project Date: Jul 18, 2016
Project Location: San Antonio Missions National Historical Park, San Antonio, TX
Contract Amount: \$39,635.00
Scope of Work: Tree pruning and removal of over 100 hazardous trees within the park compound.

Project: Fan Coil Units Renewal
Contract Number: HSCG85-16-P-P45M03
Agency: United States Coast Guard (USCG)
Point of Contact: Chad Ginter
Phone: 510-637-5987
Email: CHAD.E.GINTER@USCG.MIL
Project Date: Jul 13, 2016
Project Location: USCGC CLAMP, Galveston, TX
Contract Amount: \$39,826.00
Scope of Work: Renewal of multiple HVAC fan coil units including insulation of cabinet paneling and associated chilled water piping.

Project: Bathroom Renovation
Contract Number: HSCG85-16-Q-P45H83
Agency: United States Coast Guard (USCG)
Point of Contact: Mitchell Robison
Phone: (510) 637-5968
Email: mitchell.a.robison@uscg.mil
Project Date: Jun 27, 2016
Project Location: USCGC Ida Lewis, Newport, RI
Contract Amount: \$79,121.00
Scope of Work: Removal of One-Step system on 6 showers, removal and replacement of showers using Omega Model "S" Square Showers. Plumbing finish out and trim work.

Project: Access Control System Remodeling and Installation
Contract Number: AG-447U-P-16-0250
Agency: Forest Service
Point of Contact: Sherra Taylor
Phone: 936.639.8523
Email: staylor01@fs.fed.us
Project Date: Jun 22, 2016
Project Location: Sam Houston Ranger District Office, New Waverly, TX
Contract Amount: \$70,751.36
Scope of Work: Project included making improvements to the security system and enhancing personnel safety by controlling public access to employee work areas. Specific items of work: Installation of door locks with smart card compatible card readers, Construction of walls, installation and relocation of doors, Re-arrangement of components of the existing modular reception furniture, and Removal and restoration of interior finishes.

Project: JP-5 Fuel System Modification
Contract Number: HSCG85-16-Q-P45E62
Agency: United States Coast Guard (USCG)
Point of Contact: Donald Dean
Phone: (510) 637-5936
Email: DONALD.R.DEAN@USCG.MIL
Project Date: May 16, 2016
Project Location: USCGC Hamilton, North Charleston, SC
Contract Amount: \$68,301.00

Scope of Work: Removal of existing accumulator and installation: welding of new flange to flow meters to JP-5 service piping. Installation of sampling line and drain line to the JP-5 stripping system.

Project: MPDE Exhaust Piping Insulation Renewal

Contract Number: HSCG85-16-Q-P45C93

Agency: United States Coast Guard (USCG)

Point of Contact: Mitchell Robison

Phone: (510) 637-5968
